

New WADF Finance System – Effective 1 January 2026

Members

All members will initially register as supportive members free of charge. They will use the MasterSoft system to register dancers in their membership register and enrol them in WADF Granted Title events as supportive members, at no cost.

Members wishing to participate in the Annual General Assembly (AGA) must pay a membership fee:

- €50 for single members
- €250 for branch members.

Alternative: for Single members, enroll 10 dancers to granted title events.

Alternative: for Branch members, enroll 50 dancers to granted title events.

This fee covers one year plus the bonus period until either 30 June or 31 December.

At the AGA:

- Individual members have 1 vote.
- Branch members have 2 votes,

All members have 1 additional vote per 20 activated dancers, up to a maximum of 10 extra votes.

Dancers

All registered dancers may be enrolled in WADF Granted Title events through the MasterSoft system. A participation fee of €5 per event will be paid to the WADF. This fee will be added by the organiser to the start/enrolment fee.

When a dancer is enrolled in a Granted Title event, they are automatically marked as activated in the member's register. Activation is relevant only for calculating additional votes at the AGA and does not affect the €5 participation fee.

Organisers

Each organiser of a Granted Title event will collect a €5 WADF participation fee per dancer. This fee will be automatically added by the MasterSoft system to the event's start/enrolment fee.

After the registration deadline, organizers can download a report listing each member and dancer's enrolment fees, including the €5 participation fee. The WADF will then issue an invoice to the organiser for the total participation fees once the final number of dancers is confirmed.
